Burgon Society On-line Bibliography

www.burgon.org.uk/society/library/biblio.html

The aim is to build up a comprehensive
resource for those researching the de-
sign, history and practice of academical
dress.

The Introduction is a brief survey of the
key materials on academical dress that are
either in print or available in the larger pub-
lic and university libraries.

The Alphabetical list that follows is in-
tended to cover what has been published
on the subject since the beginning of
the nineteenth century; earlier items are
listed if they include engravings that pro-
vide important evidence of robes of the
period.

Suggestions for additions (or correc-
tions) are welcome. Please send e-mails to:
webmaster@burgon.org.uk.
